Trillium Announces 2020 Keep Oregon Well Mental Health Heroes Award Winners

Awardees will be honored during May's Mental Health Awareness Month and at Trillium's virtual Heroes Gala on May 16 **Mental Health Awareness Month** happens each year in May. This year, in the midst of the COVID-19 pandemic, it is even more important than ever to recognize our heroes who work tirelessly to support mental health. To mark the occasion, **Trillium Family Services**, Oregon's largest provider of mental and behavioral healthcare for children and families, hosts the annual **"Keep Oregon Well" Mental Health Heroes Awards** — a 31 day multi-media celebration of the people, nonprofits, community groups and business leaders who have helped pave the way for mental and behavioral healthcare to thrive in Oregon and the Pacific Northwest.

On Saturday, May 16th, the 2020 Keep Oregon Well Mental Health Heroes will be honored at **Trillium's Virtual Heroes Gala**, happening online from 7-8pm. Many current and previous Mental Health Heroes Award honorees will be joining online during the event and their stories of triumph, healing, resilience and community-building will be featured throughout the night. For more information about the Heroes Gala, visit <https://tfscfh.ejoinme.org/HeroesGala2020>. In the days leading up to and following the Heroes Gala, Trillium and the entire #KeepOregonWell Community will honor a total of nine Mental Health Heroes during May's Mental Health Awareness Month. We will be featuring the story of a new hero every few days on the Trillium website and across our Keep Oregon Well and Trillium social media network.
